
Notice of Annual Meeting of Shareholders and Availability of Proxy Materials

You are invited to the Annual Meeting of the shareholders (the “Meeting”) of **LUNDIN MINING CORPORATION** (“we”, the “Corporation” or “Lundin Mining”). The Meeting will be held:

When	Time	Where
Friday May 7, 2021	10:00 a.m. (Toronto time)	virtual-only shareholders Meeting via live audio webcast online at https://web.lumiagm.com/286254568

We are using “Notice and Access” for the first time this year to provide you with easy electronic access to our Management Information Circular (the “Circular”), other meeting materials and with copies of our audited consolidated financial statements for the year ended December 31, 2020 and the auditor’s report thereon together with the associated management’s discussion and analysis, rather than mailing paper copies. This shift to electronic delivery is environmentally friendly and saves money.

The purpose of the Meeting is:

- To receive the audited consolidated financial statements of the Corporation for the year ended December 31, 2020 and the report of the auditors thereon
- To elect the directors for the ensuing year
- To appoint PricewaterhouseCoopers LLP, Chartered Professional Accountants, Licensed Public Accountants as auditors of the Corporation for the ensuing year, and to authorize the directors to fix the remuneration to be paid to the auditors
- To provide shareholders with an advisory vote on Executive Compensation
- To consider, and if deemed advisable, to confirm, with or without variation, the Amended and Restated By-Law No. 1 of the Corporation, in the form of the resolution presented and all as more fully described in the Circular
- To transact such further and other business as may properly be brought before the Meeting or any adjournment or postponement thereof

The Circular provides additional information relating to the above items for consideration at the Meeting under the heading “Business of the Meeting” beginning on page 10.

Why a Virtual-Only Meeting

The ongoing impact of the COVID-19 pandemic and the current and anticipated public health guidelines and restrictions respecting large group gatherings make it unclear as to whether it will be safe or permissible for the Meeting to be held in person this year. Therefore, to ensure the health and safety of the employees, shareholders and representatives of the Corporation, we have made arrangements to enable shareholders and proxyholders to attend and vote virtually at this year's Meeting.

How Can I Access the Virtual-Only Shareholders Meeting?

Registered shareholders as of March 19, 2021 and duly appointed proxyholders will be able to participate in the Meeting, submit questions and vote, all in real time, by connecting to the meeting via the internet to <https://web.lumiagm.com/286254568> using the latest version of Chrome, Safari, Edge or Firefox on your computer, tablet or smartphone. Please note that the meeting portal is *not* supported on Internet Explorer. Beneficial shareholders who have not duly appointed themselves as proxyholder will be able to attend the Meeting as guests, but guests will not be able to vote or ask questions at the Meeting.

Any shareholder that wishes to appoint a person other than the management nominees identified on the form of proxy or voting instruction form (including a beneficial shareholder who wishes to appoint themselves to attend) must carefully follow the instructions in the Circular and on the form of proxy or voting instruction form. These instructions include the important additional step of registering proxyholders with our transfer agent, Computershare Trust Company of Canada ("Computershare"), after submitting the form of proxy or voting instruction form but prior to the proxy deadline. You must follow these instructions closely as the steps for voting and appointing a proxyholder are different than for in-person meetings.

Detailed information on how shareholders can participate in and vote at the Meeting is available starting on page 3 of the Circular.

It is important to note that shareholders will not be able to attend this year's Meeting in person. Shareholders participating in the virtual shareholders Meeting must remain connected to the internet during the Meeting in order to vote when balloting commences. It is the shareholders' responsibility to ensure internet connectivity for the duration of the Meeting.

How Do I Vote My Shares in Advance?

You may vote in advance by proxy in any of the following ways. Non-registered (beneficial) shareholders should return their voting instruction forms to their intermediary using one of the above methods by the date specified in their voting instruction form, and in any case at least one business day in advance of the proxy deadline. The Corporation reserves the right to accept late proxies and to waive the proxy deadline, with or without notice, but is under no obligation to accept or reject any particular late proxy.
